By BRYAN MORSE.

The big high school championship football game of the season is on tap today. Central and Technical, rivals since 1900, when Tech branched out as a fledgling in athletics, will battle today at American League Park.

For the first time in many seasons Central is a hot favorite for the honors. Despite the creditable record of the Central eleven and the rather disappointing showing of the Manual Trainers the game is expected to be a hard fought affair.

Central-Tech games have served to bring out the two largest schools in the city and at the same time the best football teams. This year is no exception. The Tech eleven is one of the largest that has ever represented the institution. The eleven coached by C. A. Mettler is not far behind Tech in the matter of size, but appears to have a more diversified attack, is more speedy and has back of it a creditable record on the gridiron this season.

## May Have Saxon.

For the first time this season Central may have its captain, Johnny Saxon. In the line-up. The team has been under the leadership of Tabor all year. Saxon having been with the Maryland guards. Today Saxon may have a chance to lead his teammates on the field. Another addition to the Central ranks is Ochstadt, who was last year's captain.

Tech has been strengthened by the acquisition of Flanagan and Schreider. The Manual Trainers have been pretty well crippled to date, but will put an eleven in the field which will be sure to give Central a stiff argument. When these teams meet both will scrap harder than in any other contest. Spurred on by large student bodies and a plentiful gathering of alumni the eleven always put more into this annual engagement than any other in which they perform during the year.

Unless all signs fall today's game will be just as hard fought as any in the past. Tech has been beaten by Episcopal High School, has defeated Baltimore Polytechnic Institute, has won over Eastern and lost to Western.

## Central Record Better.

Central's record is a better one. Defeated in a close game by Episcopal High School, winning out over the Baltimore Polys and defeating Western and Business, but losing to the City College of Baltimore, Central has the best of the season's record. The wins in the high school series were decisive, and the Dark Blue is expecting a win of today's game and a win of the 1917 title.

The teams will probably line up as follows:

Technical	Positions	Central
Carpenter	.....	L.E. McKinney
Barnes	.....	.....
Easter	.....	.....
Parker	.....	.....
Clarke	.....	.....
Willis	.....	.....
Flanagan	.....	.....
Schreider	.....	.....
Bowley	.....	.....
Wilson	.....	.....
Snyder	.....	.....

Today's game marks the start of the second half of the 1916 series. Five games have been played so far and on the showing of the eleven today will probably depend several All-High positions.

The Army and Navy Preps will play Episcopal High School tomorrow at Alexandria. The Preps have been defeated by the...

## Bresnahan in Hold-up.

TOLEDO, Ohio, Nov. 10.—The clock struck two as Roger Bresnahan, of baseball fame "stole home" this morning. Two men jumped from the shadows. Roger ducked as they leaped for him. He drew his revolver and fired. "I put that shot right over the pan. Methinks I winge one of them," Roger reported to the police today.

## Why It Could Not.

"Hey!" yelled the stevedore as they were loading explosives for the allies. "handle that stuff more careful."

"What's wrong, wid it?" asked Cassidy, who had hold of it with Casey.

"Don't you know," replied the stevedore, "that some of that same powder exploded last month an' blowed up ten men?"

"Shure that couldn't happen now," replied Cassidy. "fur there's only two av us here."—Exchange.

Like a "boost" from the boss when you're anxious—they satisfy!

When things are going hard and along comes the boss with a good, cheering word—say, doesn't that satisfy?

That's the very thing Chesterfields do for your smoking—they satisfy!

And yet Chesterfields are MILD!

No cigarette maker can copy the Chesterfield blend. They're the ONLY mild cigarette that satisfies. This blend is an entirely new combination of tobaccos—the biggest new thing in cigarette making in 20 years.

"That's Him, George-the Newark ShoeMaker! I tell you, it's simply wonderful the value and style he puts in those shoes."

The "SAVE-A-DOLLAR" Newark SMART SHOES FOR MEN

"THE first time I went into a NEWARK store I figured the same as you do—they looked too good for the money."

"And before I let the salesman slip one of them on my foot, I looked at it with eagle eye for faults—and the more I turned it over, the more I realized I was looking at a shoe that had anything licked in the dollar-more class I ever saw."

"And so I bought a pair—and, do you know, I never had a more comfortable, classier, all-round, satisfying shoe in all my life. And, believe me, I didn't forget the number of that model—and when I finally wore out my first pair, back I went for another."

"You can pay a dollar more for shoes if you want to, but NEWARK shoes for me."

More customers have been made for The NEWARK Shoe through the enthusiastic endorsement of our CUSTOMERS than through all the advertisement we have ever done. Every man who buys a pair is so deeply impressed with them in every way that he tells OTHERS about it. TRY A PAIR!
